

The Right Solution for Every Piping Need

Supported by a modern, fully-equipped fabrication facility, DeBra-Kuempel's licensed and certified pipe fabricators can **design, build, fabricate, install, and service** a wide variety of process piping.

We can deliver piping solutions specific to **automotive, chemical, food/ beverage, healthcare, pharmaceutical, and steel manufacturing**—as well as **power generation and central utility plants**.

Technical Expertise Fully-Qualified Welders

- > Section IX of the ASME Code
- > National Board of Boiler and Pressure Vessel Inspectors "R" stamp
- > ASME PP stamp for B31.1 pressure piping fabrication
- > ASME "U" stamp for pressure vessel strainers

Complete Process Piping Services

- > Boilers
- > Carbon, stainless, and alloy pipe fabrication/installation
- > Chillers
- > Emergency on-site repair
- > Engineering design/review
- > Heat exchangers (shell and tube, plate and frame)
- > HVAC piping and repair
- > Mechanical skid-mount assembly packages
- > Medical gas piping installation
- > Open-atmospheric and pressure vessel manufacturing and repairs
- > Orbital welding
- > Refrigeration (glycol, ammonia)
- > Rigging/equipment setting
- > Steam, chemical, gas, and compressed air piping fabrication and installation
