Factory Trained. State Certified. From the Waterside to the Controls.

DeBra-Kuempel's Energy Star-certified and factory-authorized experts are your single source for comprehensive, high-quality boiler services. Since we're brand neutral, we have vast experience servicing and repairing machines from manufacturers such as Burnham, Cleaver Brooks, Lochinvar, Riello, Thermal Solutions, Weil McLain, among many others.

For over 70 years, DeBra-Kuempel has provided its clients with top level service to various facilities' needs across the region. We have the knowledge and expertise to provide commercial boiler services. Our team of specialists is ready to take on any mechanical challenge that arises.

Factory Trained. State Certified.

With decades of expertise, our factory-trained and state-certified boiler technicians are equipped to perform emergency, preventive, and contract maintenance and repairs for commercial and industrial properties to help maintain reliable equipment operation.

Help Eliminate Breakdowns. Virtually Eradicate Downtime.

Deciding to service, upgrade, or replace your boilers can help eliminate the possibility of equipment breakdown or downtime.

DeBra-Kuempel uses burner optimization, tuning and upgrades to help ensure boiler emissions are well within proper guidelines. Boiler safety is always a priority.

Worry Free. Corrosion Free.

When a boiler's interior is plagued by corrosion and deposit accumulations, wear and energy consumption increases dramatically. By minimizing these problems, DeBra-Kuempel's customized boiler treatment programs help reduce energy costs and condition your equipment for long-term operation.

Boiler Services. Second-to-None.

We provide maintenance and service on the following types of boilers

- » Condensing
- » Heating
- » Process
- » Low- and high-pressure steam
- » Sectional
- » Fire tube
- » Water tube
