Empowering your success

During more than 65 years of service to the area's leading businesses and other organizations, DeBra-Kuempel has built a solid reputation for providing expert, high-quality electrical services and on-time project delivery.

Design/Build, installation & service

Whether you need new construction, retrofit or tenant finish, our fully licensed electricians can install a wide range of distribution, life safety, security and other systems. And when you want service, we offer customized planned pre-

ventive maintenance programs designed to eliminate downtime and ensure consistently peak performance operation. Put it all together, and you have the complete expertise and skills required to give you the power to succeed.
