

Keeping Products Cool—without Freezing Profits

DeBra-Kuempel provides high-quality installation and service of **refrigeration systems** for **supermarkets, restaurants, food processing plants, hospitals/labs** and **gas stations**.

Technical Expertise

Whatever the venue, our factory-authorized, EPA-certified technicians can install and maintain a complete array of commercial refrigeration systems, parallel racks, walk-in boxes, ice machines, low temperature systems and more. The result is consistently reliable refrigeration systems that reduce operating disruptions, while avoiding costly loss of products.
